iii. Reindeer Run

We had 62 registration for the 4th annual Reindeer Run, which is a 20 percent increase from last year. We had more participants in the 1 mile this year than in the 5k. We had the Loco bean coffee truck come. They seem to do very well.

b. King William Raiders Youth Football and Cheer

Things are going well. Elected the new board. Lots of changes to the board. We will start back up and getting ready in January for the next season. We are planning to possibly be doing something in the Spring. Maybe 7 on 7 and we will continue conditioning camps as well.

c. West Point YMCA

At this time, they have their basketball registration open.

9. New Business

a. Commission Application

We have a new application for District 1. The committee discussed and thought it would be a good idea to invite him to a meeting and get a little more information. Our District 2 representative has resigned as they had too many other commitments at this time. The Recreation commission would like to vote on moving Veda Frazier from the 4th to the 2nd district. The motion was moved and accepted 1st by Lindsey Cattlett and 2nd by Bill Faulkner and Evelyn Martin.

10. Recreation Commission Comments

Evelyn Martin was questioned why social media are asking for a YMCA when we have what we have? Corey asked, do you have to live in that district, or can you have a business in that district in order to be a district Representative? Troy Simons stated that you have to live in that district. Veda Frazier stated that Kayla Huffman did a great job presenting to the new board today. Veda Frazier also stated that she can see what a great job Kayla Huffman and her staff are doing, and thank you for that. Keep up the good work. Troy Simons stated that Kayla Huffman and her staff are doing a great job as well. Troy Simons wished everyone a Merry Christmas and a Happy New Year.
